Each individual is unique, so are their ideas. The same is true in the case of tiles. Some of us enjoy blends, while others choose simplicity, and some seek a more subdued visual experience, one that relates to nature's richness, where natural color and materials blur the lines between indoor and outdoor living. So, for those who love the visual impact of Monotone designs, Siscon has stocked a beautiful range of finely printed monotone finishes to help them get creative! These beautiful tiles give a crisp and immaculate look with their unique colors and innovative designs.
